Justification:

- This is a new numbering system designed to simplify the catalog, which has been worked out between the Department of Fine & Performing Arts and the Office of the Registrar and Financial Aid.
- In the current catalog there are 8 different course numbers representing 8 different levels for each ensemble.
This is a very confusing system for both students, registrar, financial aid, and advisors. The department, in consultation with the registrars office, wants to streamline the system.
- The proposed system will allow students to take appropriate Music Ensemble class at either lower division or upper division, and repeat the course as needed.

Other course offerings (such as Marching / Concert Band) will be proposed using the same numbering system
