Directions for the Digital Sender

1. Insert document upwards with the top of the document towards the machine

2. Using the **TAB** key select the email **From:** box (the first button on the left of the screen)

3. Using the key board enter the sender’s email (the @ is created by pressing the **Alt** button and the **W** and the same time)

4. Using the **TAB** key select the email **To:** box (the first button on the left of the screen)

5. Using the arrow keys located to the right of the screen press the down arrow twice until the **To:** is highlighted

6. Select **ok** from the screen (the first button from the left)

7. Using the key board enter the recipient’s email (the @ is created by pressing the **Alt** button and the **W** and the same time)

8. Once the **To:** has been entered, press the green button located to the right of the screen next to the up arrow

9. The document is now being sent to the email recipient

10. Once the document is returned to the bottom tray, it is ready to be removed

11. Select the back button from the screen (last button on the right)

12. Finished!
