New Title: Nineteenth Century British Literature

New Course Description: Special topics period course in British poetry and prose of the 19th century. Topics will vary but generally will be focus on one of the following literary periods: the early Romantics, the later Romantics, or the Victorians. Prerequisite: Three hours sophomore literature or consent of instructor. May be repeated for credit once when the topic changes.

This change will allow us to delete ENGL 4331, Nineteenth Century Literature: The Victorians, from the course inventory without sacrificing the opportunity for students to take a course in the literature of the two periods covered in the two previous courses.
