Through class and instructor analysis of each student's idea for a short video, the class will cover pre-production details: initial concepts, synopsis, treatment, script, storyboards, shot list, scheduling, location scouting, and cost. Using screenings and analysis of classic scenes, the choices available to the videomaker are discussed in depth with focus on subsequent application. Students will work on individual video projects, and on one 6-10 minute final group project. ~~Prerequisite/corequisite: COMM 2331~~ Course Fee: \$40

COMM 2331 *Photography I* should not be a prerequisite/corequisite as students taking COMM 2332 Video Production I are able to follow instruction and produce videos without any prior knowledge of photographic dark room techniques.
