Change

EDAM 5335 Practicum in School Administration I Three semester hours. This course focuses on observation, shadowing, and working to solve problems with a school administrator under the guidance of a university professor. Students will be required to complete one hundred (100) hours of field work. Assignments include the implementation of techniques and styles of administered behavior in three different campus levels by the completion of both practicums I & II. Prerequisite: Master's degree in educational administration or equivalent.

EDAM 5335 Practicum in School Administration I Three semester hours. This course focuses on observation, shadowing, and working to solve problems with a school administrator under the guidance of a university professor. Students will be required to complete one hundred (100) hours of field work. Assignments include the implementation of techniques and styles of administered behavior in three different campus levels by the completion of both practicums I & II. Prerequisite: Master's degree in educational administration or equivalent. **This course will be taken by students for credit or no credit.**

Rationale for change.

This class has been taught for "pass/fail" in the last few years and the changeover to Banner system made it a traditional graded class. This is to formalize the "pass/fail" status of this class in the certification program.
