To the list of classes that satisfy Visual / Performing Arts credit within the Core Curriculum

Justification:

- Page 436 lists Core Curriculum Requirements for Visual / Performing Arts saying "Courses can be taken from ARTS, COMM, DANC, MUAP, MUEN, MUSI or THAR" but these courses (MUSI 1161, 1162, 1163) are not listed as options on pages 437, or 438.
These courses are valuable to all singers in order to clearly enunciate songs in different languages (as required by the syllabus for their Jury and Senior Recital).
These course are not pre-required in any degree plan, however they are truly needed by singers, who should be given the option within the degree plan of taking these courses without affecting the total SCH required for their degree. Adding these classes to the list of options for Visual / Performing Arts credit will satisfy all requirements and desires.
These classes are covered under the Texas Common Course Numbering System and should be transferable by students transferring into TAMIU. Since they are not required in the degree plan, allowing them to be considered Core Curriculum options will allow students to transfer in that credit.
