The Department of Curriculum & Instruction requests authority to offer:

**EDGR 5330 Thesis. Three semester hours.**

The students in this course are provided with opportunities for satisfactory completion and defense of the thesis. This course is taken for credit or non-credit. Prerequisite: Approval of major advisor. If grade of IP is received, student must continuously enroll until the thesis is satisfactorily completed. Failure to enroll results in a grade change to ‘F’.

**Rationale for Courses:** EDGR 5330 is to be added as an alternative to EDCI 5330, Thesis Writing in Curriculum and Instruction, currently required of students pursuing the thesis route for the Master of Science in Education with a Major in Curriculum and Instruction. By allowing students to choose either EDCI 5330 or EDGR 5330, students would have more options in completing the requirements for the Masters Degree.
