**Subject:** Request to Incorporate SOST 4391 into 2005-2006 BSIS ECE-Bil Ed EC-4 Degree Plan

Mary,

In keeping with our conversation, this is to confirm that SOST 4391 Issues is Social Studies should be incorporated into the Bachelor of Science in Interdisciplinary Studies Degree plan with a major in Early Childhood Bilingual Education that appears in the 2005-2006 Texas A&M International University catalog. Apparently, this course was inadvertently left out when the degree program was being revised.

Thank you very much for your assistance with this matter. Please let Dr. Gonzalez, Dr. Greybeck, or me know, if you have any questions or need any further information.

Respectfully,

Juan Lira
