**Rationale for Courses:** EDGR 5320 is to be added as an alternative to EDSP 5398, Research Design, currently required for students pursuing the thesis route of the Master of Science in Education with a Major in Bilingual Education. By allowing students to choose either EDSP 5398 or EDGR 5320, students would have more options in completing the requirements for the Masters Degree. EDGR 5330 is to be added as an alternative to EDSP 5399, Thesis, currently required of students pursuing the thesis route for the Master of Science in Education with a Major in Bilingual Education. By allowing students to choose either EDSP 5399 or EDGR 5330, students would have more options in completing the requirements for the Masters Degree.
