The Department of Curriculum & Instruction requests authority to replace EDSP 5397 with EDBE 5390:

*EDSP 5397 Professional Paper. Three semester credit hours.*

This course will provide students with opportunities and support for the satisfactory completion of a field action research and resultant profession paper. Grades awarded will be P for pass and IP for in progress. If a grade of IP is received, students must enroll continuously until successful completion and defense. Failure to do so will result in a grade change from IP to F after one semester. Prerequisite: EDSP 5398.

*EDBE 5390 Special Issues in Bilingual Education. Three semester credit hours.*

This course examines timely topics of concern to educators involved in making decisions regarding bilingual education. May be repeated once when topic changes. Prerequisite: Graduate standing and permission of instructor.

**Rationale for Courses:** The professional paper course, EDSP 5397, will no longer exist for students pursuing the non-thesis route for the Master of Science in Education with a Major in Bilingual Education. Adding EDBE 5390 to the degree plan will maintain the same number of credit hours for the degree. Furthermore, EDBE 5390 will provide students with the opportunity to explore current topics in the field of bilingual education.
