~~11 SCH of MUAP in Principal Area.~~

11 SCH of MUAP in Principal Area, at least 7 SCH of which must be at the 3000-level.

**Justification:** Since all applied instrument instruction use the same course numbers (MUAP 1213 / 3213) with different sections (related to specific instruments) it is important to clarify to students that they must concentrate on a "Principal Area" (instrument) and acquire the required SCH in that area. This prevents students from changing instrument and applying previously earned SCH from one instrument to make a total of 11 SCH in more than one instrument.
