MUSI 3100  Art and Children  One semester credit

MUSI 1100  Art and Children  One semester credit

An introduction to the principles of art that can be related to the expressive and developmental needs of children from pre-school through the fourth grade. This course will satisfy the Visual and Performing Arts requirement in the University Core Curriculum for students in Early Childhood Education degrees.

Justification:
- Required to bring Early Childhood Education degrees closer to the 120 hr. rule.
- Early Childhood education majors will take all three 1100 courses (MUSI 1100 / ARTS 1100 / DANC 1100) to satisfy requirements for Core Curriculum.
- Provides a more rounded set of educational competencies for education majors in preparation for the TeXes / ExCET exams.
- Content is specifically education oriented and the courses will be restricted to education majors.
- COAS and COED have collaborated to make this agreement work to the benefit of the students while meeting the requirements of reduction of SCH in the degrees.
Student Learning Outcomes:

- The students shall understand and be able to teach the elements and principles of art with their application for creation and production of art by their elementary school students.
- The students shall have knowledge of the diversity of art as produced by different cultures with an aim to teach these to their elementary students.
- The students shall have knowledge of the history and development of art and its cultural implications.
