Dr. Coronado,

Thanks so much for the heads-up on the concurrent-enrollment issues, and ALSO for your kind offer to handle the paperwork on this!;-)

Looks to me fairly straightforward---when you move EDCI 3301 and 3305 to their new terms, just swap one of the "Adv Art Media" lines listed in those new terms [with footnote 5 on the plan going along in each case] back to where 3301 and 3305 used to be. rw

Subject: Bachelor of Arts: Major in Art with All Level Certification

Dear Bede,

I was advising a student at the LCC Transfer Fair this morning who is > pursuing a BA in Art with all level certification and I noticed on the degree plan that Block I and Block II are split. Block I consists of EDCI 3301 and EDCI 3302, and on the degree plan EDCI 3301 is listed in the first semester of the junior year and EDCI 3302 is listed in the second semester of the junior year. These courses need to be taken concurrently.

Also, Block II consists of EDCI 3305 and EDDP 4324, and on the degree plan EDCI 3305 is offered the second semester of the junior year and EDDP 4324 is offered the first semester of the senior year. These courses also need to be taken concurrently.

Would it be possible to move EDCI 3301 to the second semester of the junior year with EDCI 3302, and move EDCI 3305 to the first semester of the senior year with EDDP 4324?

Barbara or I would be more than happy to complete the paperwork if you would like. We would just need to know if you would like to move any of the ARTS classes.

Please advise at your earliest convenience.

Respectfully,

Jennifer
