

CATALOG YEAR 2008-2009 _____
(Please use separate form for each add/change)

COLLEGE/SCHOOL/SECTION: COAS/F&PA
Current Catalog Page(s) Affected: pp. 87, 89, 90, 107, 115, 116, 337

Course: MUAP 1010 Add: Delete: _____ Change: Number _____ Title _____
(check all that apply) SCH non-credit Description Prerequisite _____

If new, provide Course Prefix, Number, Title, SCH Value, Description, prerequisite, lecture/lab (hours if applicable) and **student learning outcomes**. If in current catalog, provide change and attach page with changes in red and provide a brief justification.

- **ADDITION TO COURSE DESCRIPTION:** at end of the current course description (which should not be changed) the following sentence should be added: "Evaluation of performance in this course is on a Pass/Fail basis."
- **NEW COURSE DESCRIPTION (with added final sentence):**

MUAP 1010 *Music Convocation*. Non-credit.

All music students meet weekly to perform before colleagues and faculty, to learn stage department techniques, performance practices, and exchange information. Required concurrent enrollment in relevant MUAP course for all music majors and minors. **Evaluation of performance in this course is on a Pass/No Pass basis.**

- **JUSTIFICATION:** in order to increase student attendance in this non-credit course, the music faculty would like to begin giving students more of an incentive to come to class. The faculty believes that if students know that either a "Pass" or "No Pass" for this course were to be recorded on their transcripts, they would more likely come to class (even though the class is a non-credit course). The reason this course does not offer credit is because the FPA department is trying to keep the total SCHs as low as possible (as required by the state).

Program: Add: Change: Attach new/changed Program of Study description and 4-year plan. If in current catalog, provide change and attach page with changes in red.

- **ADDITION TO PROGRAM OF STUDY DESCRIPTION FOR ALL 3 MUSIC DEGREES (BA, BM AND BM ALL-LEVEL):** at the end of the Major requirements section (#4), a new sentence needs to be added to all three music degrees:

“When enrolled in applied music lessons students must be concurrently enrolled in both an assigned University ensemble and MUAP 1010.”

- **JUSTIFICATION:** Even though it is a FPA department rule that when enrolled in applied music lessons all music majors must enroll in Music 1010 (Music Convocation) as well as in at least one University ensemble, and even though all music students are advised by the music faculty each semester, some students nevertheless still manage to get past this requirement. Therefore the faculty wants to make this dept. requirement more clear by having it appear in both the program of study and in the 4 year plan.

- **NEW PROGRAM OF STUDY DESCRIPTION FOR EACH MUSIC DEGREE:**
