**Justification**

All changes are at the recommendation of a joint committee of bilingual education (COE) and Spanish (COAS) faculty. This committee carefully considered the best preparation possible for our students.

**Program:** Add: \_\_\_\_\_ Change: X Attach new/changed Program of Study description and 4-year plan. If in current catalog, provide change and attach page with changes in red.

**Justification:**

In response to both academic concerns by our colleagues in both the Spanish and Education faculties, we propose to satisfy both by requiring SPAN 4390 for all Bilingual Education Majors in lieu of EDCI 3302 which is not taught bilingually (Spanish/English). Grades 4–8 focus on higher levels of content than primary grades. This necessitates higher proficiency in Spanish.

We, therefore, propose 18 hours of Spanish compared to the 15 hour requirement in the Elementary degree. This request will adhere to the 130 hour pre-existing degree plan. The Spanish courses have been given new numbers, which need to be incorporated into the degree.

## BACHELOR OF SCIENCE IN INTERDISCIPLINARY STUDIES BILINGUAL MAJOR (4 - 8 CERTIFICATION)

Following is **one** suggested four-year degree plan. Students are encouraged to see their advisor each semester for help with program decisions and enrollment. Students are responsible for reviewing the [Program of Study Requirements](#).
