College Introductory Pages: Add information: _____ Change information: _____
 Attach new/changed information. If in current catalog, provide change and attach page with changes in red.

Other: Add information: _____ Change information: X
 Attach new/changed information. If in current catalog, provide change and attach page with changes in red.

Since the recommended four-year degree plan listed in the catalog (page 154) suggests that students take an “advanced accounting elective” before the students have taken the required prerequisites for any of the advanced accounting electives, the division recommends that the catalog four-year degree plan be changed (see attached schedule). The division also decided that students in their sophomore and junior years should not take more than two accounting courses each semester. As a result, the proposed four-year degree plan reflects this decision.
