Re: Good Standing Minimum Grade Point Average

The current good standing policy is:

Standards for good standing are based on the number of hours earned:

| | |
|-------------|-----|
| 0-15 hours | 1.7 |
| 16-29 hours | 1.9 |
| 30+ hours | 2.0 |

The proposed change will be effective Fall 2009 and read as follows:

CONTINUATION OF UNDERGRADUATE ENROLLMENT

Minimum Grade Point Average for Good Standing

Standards for good standing are based on an **overall 2.0 GPA**

The grade point average for a semester is computed by dividing the total grade points earned by the number of semester hours of courses with "A", "B", "C", "D", and "F" grades.

The cumulative, or overall, grade point average is computed by dividing the total grade points earned by the number of hours of "A", "B", "C", "D", and "F". Effective Fall 2007, only hours earned from Texas A&M International University will be included.

Grade Point Average

The grade point average accumulated on the permanent record of a student at Texas A&M International University (TAMIU) will be based on course and grade points earned by a student on work taken only at this university. Transfer work will be accepted for fulfilling degree and graduation requirements only.

Academic Probation

Students will be placed on Academic Probation at the conclusion of any semester (fall, spring or summer) when their semester grade point average **or** institutional cumulative grade point average, at TAMIU, falls below 2.0. Such students are encouraged to participate to the fullest in academic support programs and to seek academic advising. Students who have been placed on Academic Probation will be removed from such probation at the conclusion of the semester or summer term, at this university, when they have achieved the required semester **and** institutional cumulative grade point average of a 2.0 or better

Academic Suspension

Students who have been placed on Academic Probation, and fail to achieve the minimum semester grade point average **and** institutional cumulative grade point average during the next semester, will be placed on Academic Suspension. The student may petition through the Office of the University Registrar to register again on Academic Probation after a required absence from the University of one long semester, or longer.

Removal of Academic Suspension Status by Summer Study

Students placed on Academic Suspension at the end of the spring semester are eligible to attend the subsequent summer sessions at TAMIU. If the student achieves a semester **and** institutional cumulative grade point average required a 2.0 or better at the conclusion of the summer terms, the Academic Suspension status will be removed.
