Course: Add: _____ Delete: _____ Change: Number _____ Title _____
(check all that apply) SCH _____ Description _____ Prerequisite _____

If new, provide Course Prefix, Number, Title, SCH Value, Description, prerequisite, and lecture/lab hours if applicable. If in current catalog, provide change and attach page with changes in red and provide a brief justification.

Program: Add: _____ Change: X Attach new/changed Program of Study description and 4-year plan. If in current catalog, provide change and attach page with changes in red.

Rationale: The Bilingual EC-6 students need to take Elements of Math II before formal admission into the COE, so scheduling the course before the junior year is important. Also, for the student teaching semester, elementary student teachers should not take any other courses. Moving these few courses to summer sessions gives a more realistic schedule for students to follow.
