Course Fee changes needed in Courses: ARTS 1312, 2346, 2326, 3324, 3309, 4304, 4324

Justification: Course Fee needs to be increased to \$65.00 for student materials and assignments (see attached document for budget and further explanation). For the first time, TAMIU now has a fully qualified Ceramics instructor, so since the range of technical topics can be expanded now (to approximate more closely what is taught in courses of this nature nationally), more materials will be needed to address these different technical topics and issues. Hence, the request for lab-fee increase.

If new, provide Course Prefix, Number, Title, SCH Value, Description, prerequisite, lecture/lab (hours if applicable) and **student learning outcomes**. If in current [on-line catalog](#), provide change, attach page with changes in red, and provide a brief justification.
