COMM 4320 *Transnational Trends in Communication*

Three semester hours. (SP)

This course is an intensive study of the interdependent relationship between communication and culture with an international focus. Students will examine conceptual and experiential problems that affect communication across physical and cultural boundaries including problems of interpreting and evaluating different cultural values, world views, patterns of communication, cultural imperialism, nationalism, information flow, and the effects of globalization.

Justification:

The title and description has been changed to more accurately reflect course content delivery semester.
