Subject: RE: BA Communication and Spanish

Mary,
Thank you for all this work. As far as I can see, the revised POR is correct so I approve it.
Thanks again!
Manuel

Subject: BA Communication and Spanish

Folks – in setting up the online BA in Communication and Spanish I came up with a couple of questions. When matching the 4-year plan and the Program of requirements (links below), I find the discrepancies below.

<http://www.tamtu.edu/adminis/avpaa/ucc/2010-2011/UCC59-COAS-BA-COMM-SPAN.pdf>
<http://www.tamtu.edu/adminis/avpaa/ucc/2010-2011/UCC60-COAS-COMM-SPAN-POR.pdf>

Item 3: The Math elective we know should be 3 SCH not 6.

Item 4: Communication is part of the core and Speech is being specified as the course to take so it should not be listed separately, i.e., it is included in the 42 SCH.

The 4- year plan includes 6 hours of foreign language from Portuguese or French. The POR does not include this. The POR Should read as follows:

- Hours Required:** A minimum of **120** semester credit hours (SCH): 45 hours must be advanced, and fulfillment of degree requirements as specified in the “Requirements for Graduation” section of this catalog.
- University Core Curriculum:** **42** SCH as outlined in the suggested plans and as specified in the “Requirements for Graduation.”
- MATH Elective:** **6 3** SCH selected from any math course above the level of College Algebra.
- Foreign Language:** **6 SCH from Portuguese or French.**
- Communication:** **3 SCH select SPCH 1311.**
- Major Communication:** **63 36** SCH including: COMM 3310, 3322, 3325, 3326, 3327, 3329, 4320, 4324, 4340, **and** 4360 **and 6 SCH of COMM 4350, communication internship, is 6 SCH. Required Spanish courses are SPAN 3300, SPAN 3305, SPAN 3310, SPAN 4303 or SPAN 4302, SPAN 4317, SPAN 4333, SPAN 4351, SPAN 4390, and SPAN 4398.**
- Major Spanish:** **27 SCH including** SPAN 3300, SPAN 3305, SPAN 3310, SPAN 4303 or SPAN 4302, SPAN 4317, SPAN 4333, SPAN 4351, SPAN 4390, and SPAN 4398.
- General Electives:** **9 6** SCH at the 3000-4000 level

(42+3+6+36+27+6=120)

If the revised POR is correct, I can attach it to the approved document.
Let me know how to proceed.
