Currently BIOL 2415 Microbiology for Allied Health is a prerequisite science requirement. Biol 2421 General Microbiology will also be accepted for both the BSN and the RN/BSN program. Both courses meet the requirements for nursing, in addition many schools do not offer Biol 2415 making it difficult when students transfer into the program.

If new, provide Course Prefix, Number, Title, SCH Value, Description, prerequisite, and lecture/lab hours if applicable. If in current catalog, provide change and attach page with changes in red and provide a brief justification.
