DANCE MINOR REQUIRED COURSES :**DANC 1191 Dance Improvisation.**

One semester hour. Exploration of movement and visual design through improvisation. **Lab Course fee: \$30.00.**

DANC 4182 Concert Choreography

One semester hour. Conceptualization, realization, direction and production of a choreographic work for formal and informal presentation. Three studio hours per week. **Course fee: \$30.00.**

Justification:

The current "lab fee" should be changed to "course fee" to more accurately reflect the nature of the fees and to maintain consistency across Dance Department course offerings.

The fees for these courses, which are required for the Dance Minor, have not increased in twelve years, while the costs related to the performances have risen.

Course fees are primarily used for the purchase of new costumes and props, as well as for the upkeep and maintenance of those already owned by the Dance Department. Since HEAF funds cannot be used for the purchase of uniforms/costumes or their upkeep and maintenance, the fee increase will allow us to cover the costs associated with these items.

Fees also pay for the printing of performance publicity materials (including posters and flyers) and performance programs.
