EDCI 3110

Justification:

This course was a component of the Title V program that has now been completed. It was part of a four course sequence spanning the four semesters of the freshman and sophomore year. Now that the early block sequence stands without the support of a grant, we want to maintain the most basic components of the early block. This is the second course of a two course sequence. This course differs from the present EDCI 3110 in that 20 field experience hours of the current course are increased to 40 hours to match the hours required over two semesters currently. .

The revised description includes a \$25 fee. This course, with EDCI 3210, is equivalent to the Block I course EDCI 3301 that juniors take, which requires a \$75.00 fee. The old four-course sequence of Title V collected a total of \$75.00 (\$25 EDCI 3210, \$25 EDCI 3220, \$12.50 EDCI 3110, \$12.50 EDCI 3120). ~~EDCI 3120 and EDCI 3220 will no longer be taught.~~ The fee is used to partially reimburse contracted university observers in Blocks II and III and cooperating teachers in Block III.

If new, provide Course Prefix, Number, Title, **Measurable** Student Learning Outcomes, SCH Value, Description, prerequisite, and lecture/lab hours if applicable. If in current online catalog, provide change and attach text with changes in red and provide a brief justification.
