Actual degree plans may vary depending on availability of courses in a given semester.

Some courses may require prerequisites not listed.

Justification: The reason for the addition to the existing footnote is to allow music majors to select from a wider choice of music electives. In addition to advanced lecture courses (MUSI), students will now be able to select from all advanced ensembles (MUEN) and advanced applied music lessons (MUAP). The wider selection will also allow students to graduate in a more
timely manner during times when the department is not able to offer enough MUSI courses.
