**Justification:**

The Bachelor of Music with Certification degree was submitted to and approved by the State in 2007 with the recommendation that EDRD 3320, Content Reading take the place of MUSI 3320, Music Methods and Materials. This edit was overlooked when the revised, approved degree was implemented. MUSI 3320 has not been offered and students have been completing the EDRD 3320 and completing course substitutions for graduation. We are requesting that MUSI 3320, Music Methods and Materials be removed from the degree plan and also from the catalog course descriptions and that EDRD 3320, Content Reading be added to the degree plan for the BM with certification degree. We request that this change become retroactive to the 2007-2008 catalog.
