Prerequisite: upper-level standing, concurrent enrollment in the corresponding MUAP class, and consent of instructor. **Course fee: \$40.00.**

MUAP 4005  
**Senior Performance.**

Non-credit.

A non-credit course for seniors in Music. Participants will either give a recital or submit a senior thesis (BA degree only) judged successfully by the department as partial fulfillment of the degree requirements. Prerequisite: Students must be concurrently enrolled in their primary instrument and have the consent of the instructor. **Course fee: \$80.00.**

**Justification:**

The two MUAP classes above have not had course fees associated with them before, but they desperately need such fees. The funds available to the Department of F&PA have dwindled in the past year and so we are trying to make ends meet in as many ways possible. The large fees requested, especially the one attached to the senior performance class, are mostly associated with the cost of piano tuning for such events. All student

recitals (except for guitar recitals), whether junior or senior, require a piano to be tuned, and yet the department finds itself falling very short of funds for such. Another cost for our recitals is that of PR for printing programs and posters.

Increasing the Senior Performance fee to \$80.00 will cover the cost of one piano tuning (\$75.00) per recital, and the difference (\$5.00) will help with printing/copying of programs and posters. Increasing the Junior Performance fee to \$40.00 will cover most such performances since most juniors do their performances in pairs (they do joint-recitals) and thus both their fees together end up covering the cost of a single piano tuning plus publicity.
