SPAN 2313 (SPAN 2313) Spanish for **Heritage Language** Spanish Speakers I: Three semester hours. (FL/SS) Conducted in Spanish. A course for students from an English-Spanish dual language environment who have been exposed to spoken Spanish, but have little or no formal study of the language. A systematic presentation of oral and written conventions in Spanish will be presented along with identification of regional varieties of usage. This is the first part of a two-part introduction to Spanish for Spanish speakers. **Departmental placement exam required.**

Justification: The in-house Spanish placement test will be required for placement into SPAN2313. The CLEP test is currently used as a placement test for this course; however, it is not designed to distinguish between learner types (L2 and HL learners). Therefore, the new in-house placement exam will more accurately place students according to their language abilities.
