EDRD 6301 *Teaching Reading to Linguistically Diverse Populations.* Three semester hrs.

Course Description: This course will examine research and theories relating to the cognitive, affective, social, cultural, and linguistic factors influencing the literacy teaching and learning of linguistically diverse populations. This course is only applicable to the TAMU Collaborative Ed.D. program. Prerequisite: Doctoral Classification.

Justification: Texas A&M University College Station and Texas A&M International University are offering a collaborative Ed.D. in Curriculum and Instruction. EDRD 6301 is one of the required courses for students pursuing the doctorate in Curriculum and Instruction with an emphasis in Literacy. EDRD 6301 is scheduled to be offered in the summer 2011 for the current cohort of students. This course is one which is being taught by Texas A&M International University faculty and on the Texas A&M International University campus.

Student Learning Outcomes

The student will:

- Critically analyze research to identify factors that influence the literacy development of linguistically diverse student populations with the purpose of developing guidelines for effective literacy instruction of linguistically diverse students populations.
- Complete an extensive review of literature to design and carry out action research in a public school classroom pertaining to the literacy instruction of linguistically diverse students.
- Carry out an analysis of data and report on the findings of the action research project.

- Write a manuscript that is publication ready on the findings of the action research project.
