~~*Minor in Curriculum and Instruction: Select 12 SCH from EDCI 5300, EDCI 5305, EDCI 5307, EDCI 5311, EDCI 5317, EDCI 5340 or EDCI 5399. NOTE: Students admitted Fall 2007 or after will be required to pass both a written and oral comprehensive exam to satisfy degree requirements.~~

Justification: The three courses moved from “elective” to “required” in the program are more likely to add new knowledge and skill for the student and are also more likely to “make” when scheduled. The three courses moved to the “elective” list are either topical or clinical in nature, and can be offered occasionally to increase the likelihood of meeting minimum enrollment limits. The deleted minors in Elementary and Secondary Education have already been deleted from the inventory and should not be listed in the catalog. Additionally, the title of EDDP 5327 is incorrect in the current catalog. We are also requesting to remove the prescribed courses from the Minor in Curriculum and Instruction to allow the students the opportunity to select any 12 hours at the graduate level from C&I. We also are adding Counseling Education to the Minor Curriculum. Finally, we are deleting EDSP 5399 Thesis from the degree plan since this course is no longer in the course inventory.
