The Graduate Record Examination (GRE) or Graduate Management Admissions Test (GMAT) scores are required only if pursuing a degree with the exception of COED that requires GRE scores for all graduate work that will lead to a degree. Official test scores must be sent directly from Educational Testing Service (ETS) and be dated within five years of enrollment. No admission decision will be made prior to the receipt of an official GRE or GMAT score.

Proposed wording:

Official test scores must be sent directly from Educational Testing Service (ETS) and be dated within five years of enrollment. No admission decision will be made prior to the receipt of an official GRE or GMAT score.

Justification: Redundant wording.

Current wording:

From the Academic Regulations – Graduate section (http://www.tamij.edu/catalog/current/acadreg-grad.shtml):

The College of Arts and Sciences requires the GRE from all applicants, with the exception of the MPA program which will accept the GMAT in lieu of the GRE. Spanish majors are required to take an additional departmentally administered examination.

The College of Arts and Sciences (COAS) reviews applicants prior to the beginning of each long semester; May for Fall applicants and November for Spring applicants. All COAS master program applicants must submit GRE scores to be admitted, with the exception of the MPA program which will accept the GMAT in lieu of the GRE.* Spanish majors must also pass a departmentally administered examination. *Exception to the GRE requirement: applicants who have already obtained a masters or law degree from a regionally accredited institution are exempt from the GRE.

Proposed wording:

The College of Arts and Sciences requires the GRE from all applicants, with the exception of the MS-BIOL program which does not require the GRE and the MPA program which will accept the GMAT in lieu of the GRE. Spanish majors are required to take an additional departmentally administered examination.
