COLLEGE/SCHOOL/SECTION: Arts & sciences/Fine & Performing Arts

Course: Add: Delete: Change: X Visual, Literary and Performing Arts
(core) requirement

Request to change/update the following on the 4-year degree plan for the Bachelor of Music All Level Certification:

1. The current title, "Visual/Performing Arts", needs to be changed to "Visual, Literary and Performing Arts" to reflect the recent addition of literary arts courses to the Arts core.
2. An incorrect superscript exists at the end of the current listing of "Visual/Performing Arts" in the sophomore year, spring semester. It should be a "2" and not a "1." Along with the change in title (#1 above), it should ultimately be reworded as: "Visual, Literary and Performing Arts²".
3. The text for the footnote for the Visual, Literary and Performing Arts (core) requirement (this is footnote #2 below).

Justification:

The proposed changes to the Visual, Literary and Performing Arts (core) requirement vastly increases instrumental music majors’ course options to any MUSI, MUED, or MUEN courses. Previously, all instrumentalists were limited to one course, but after review, it has been concluded that being able to choose from a wider variety of music courses will better fit students’ individual needs.
