SPAN 4173-4473 Undergraduate Research. One to four semester credit hours.

A course adapted to the directed study of topics in Spanish. Advanced students will develop a project in cooperation with an instructor. The project will be established by the student with the approval of the instructor prior to registration. The course may be repeated with a change in project, but total credit cannot exceed eight semester hours. Prerequisite: Permission of the instructor.

Learning Outcomes:

- Students will be able to relate the meaning of relevant material through translation exercises
- Students will be able to hypothesize about a relevant topic through the composition of essays
- Students will be able to report the results of their investigations through the completion of a research paper
