Course: EDFS 2316 Health and Movement

Change: Number __ Title ___ SCH ___ Description ___X__ Prerequisite ___

Justification:
Change to C or better to pass the course.
I asked the Institutional Research Department to run a focus report on the grade distribution for EDFS 2000, 3000, and 4000 level courses. The result: A 24.24%, B 35.31%, C 23.66%, DFW 16.41%. It looks like “B” is average for these courses, with “A” above average and “C” below average. “D” would be a poor performance in classes.
Change to eliminate the semester designation.
We typically teach this course both long semesters, but that may change in the future as enrollment patterns change.

EDFS 2316 (TECA 1318)
Health and Movement.
Three semester hours. (FL/SP/SS)
This course introduces the student to the development and process of movement skill acquisition in children and methods to provide movement and health practices in the classroom. This course will not satisfy the 1 hour activity or wellness course required in the core curriculum. A grade of “C” or better must be earned to successfully complete the course.
