Course: EDFS 3305 Teaching Physical Education

Change: Number ___ Title ___ SCH ___ Description ___X___ Prerequisite ___X___

Justification:
Change to C or better to pass the course.
I asked the Institutional Research Department to run a focus report on the grade distribution for EDFS 2000, 3000, and 4000 level courses. The result: A 24.24%, B 35.31%, C 23.66%, DFW 16.41%.
It looks like “B” is average for these courses, with “A” above average and “C” below average. “D” would be a poor performance in classes.

Change to eliminate the prerequisite.
Fitness and Sports faculty would like to open the course to all TAMIU students.

Change to eliminate the semester designation.
We typically teach this course both long semesters, but that may change in the future as enrollment patterns change.
