Course: EDFS 4302 Advanced Athletic Training

Change: Number ___ Title ___ SCH ___ Description __X__ Prerequisite ___

Justification:
Change to C or better to pass the course.
I asked the Institutional Research Department to run a focus report on the grade distribution for EDFS 2000, 3000, and 4000 level courses. The result: A 24.24%, B 35.31%, C 23.66%, DFW 16.41%. It looks like “B” is average for these courses, with “A” above average and “C” below average. “D” would be a poor performance in classes.

EDFS 4302
Advanced Athletic Training
Three semester hours.
This course will introduce the student to evaluation of orthopedic athletic injuries. The Course will be taught as a combination of lecture and hands-on laboratory instruction. A grade of “C” or better must be earned to successfully complete the course. Prerequisite: EDFS 2303 or equivalent course approved by advisor.
