Change in Prefix for Foundations of Leadership

LED 2301 Foundations of Leadership Three semester hours

This course introduces students to leadership styles and the multiple definitions of leadership relating to various cultural, professional, civic and social roles. Includes a service learning component. This course is an introductory overview of leadership which must be taken prior to taking other required courses to earn the Certificate in International Leadership.

Justification: The prefix change is to more clearly link this course to the Certificate in International Leadership.
