PSCI 4309

Mexican Politics and Government

Three semester hours.

This course explores the roles of Mexican government institutions, state and local governments, political parties, the military, economic elites and social movements. The course analyzes the evolution of their relationships over time, as well as their influence on domestic and foreign choices. (Cross-listed with PSCI 5309).

Justification: We have created a new cross-listed graduate course PSCI 5309 that we want cross-listed with PSCI 4309. This step is being taken in a very select few (4) of our upper-division PSCI courses to provide graduate students with a few more options in their major/ minor course selection to make the MA in PSCI a bit more popular and option.
