COLLEGE/SCHOOL : Arts & Sciences/Fine and Performing Arts

Course: Change: Description: X

ARTS 4361

Illustration/Electronic Imaging.

Three semester hours.

A continuation of ARTS [3335](#), with further work in the use of painting, drawing, and image-enhancement software programs. Prerequisite: ARTS [3335](#) or consent of instructor. **May be repeated twice for credit.**

ARTS 4365

Advanced Photography.

Three semester hours.

A continuation of ARTS [3365](#), this course will concentrate on the realization of content as creative expression and a heightened mastery of photographic skills in the darkroom and in the computer lab. **May be repeated ~~once~~ twice for credit.** Prerequisite: ARTS [3365](#).

Justification: All 4000-level courses in Studio Art were changed in 2011-12 to allow students to repeat them twice for credit.* Somehow, these two courses failed to be included with the others at that time, so we would like to amend their descriptions now so that all 4000-level courses are consistent.

[*: Justification statement from those 2011 proposals can be found in accompanying document.]
