- Overloads will only be approved for TAMIU GPAs of 3.0 or higher, and approval of the departmental chair and dean.

- Candidates on suspension must sit out for long term. Summer sessions are considered short terms and thus must not be supplanted for a long term.

- Option to graduate without completing Student Teaching Semester:
COED candidates in their culminating semester may supplant/substitute 12 credits from a pool of specified courses in lieu of completing their student teaching requirement for certification. By doing so candidates electing this route may graduate in the degree program and will not be recommended for certification. Candidates choosing this route must:
 - Be in the culminating semester of their degree program;
 - Be in good standing in the College of Education by having a TAMIU 2.7 GPA or higher and a 2.7 or higher GPA in the major;
 - Have a "C" or better in all course work (including course work completed in the Core Curriculum); clarification on page 3.

¹ This is a TEA admission requirement for education majors. Candidates are encouraged to check with the College of Education's Department of Educator Preparation and Certification.

² The fee is being increased to accommodate new admission oversight mandates from the Texas Education Agency.

- Forfeit eligibility to obtain approval by the College of Education to sit for any TExES exam as an undergraduate program completer;
- Sign a statement of agreement.

Post-graduation certification may be attained through either a post-baccalaureate or Alternative Certification Program of one's choice.

Dear Mary,

A follow-up to today's UCC meeting and what we had discussed earlier, the second indented bullet should read:

- Complete all degree plan courses with a grade of “C” or better (including coursework completed in the Core Curriculum and all courses that are approved as substitutions for courses required on the degree plan);

Enjoy your weekend,

Jennifer

The minimum TOEFL score requirement should read as noted below based on TEA Subchapter B-General Requirements-English Language Proficiency:
The TOEFL IBT is required of all students having academic studies from a country where English is not the native language.
A minimum TOEFL IBT score of 26 in each of the four areas (reading, listening, speaking and writing) is required for admission to the College of Education.
