EDCI 3315
Implementing Effective Instructional Strategies for Diverse Learners
Three semester hours (FL/SP)

This course will focus on the implementation of effective, standards-based, data-driven instruction. Emphasis will be placed on establishing collaborative and responsive learning environments, differentiation of instruction and related technological applications to meet the needs of diverse and exceptional learners, developmentally appropriate practices, and federal and state accountability mandates and required state assessments. Candidates will engage in a variety of field-based experiences.
Prerequisite: Must be in good standing with the College of Education requirements, and successful completion of EDCI 3301 and EDCI 3302. Corequisite: EDCI 4310.

Student Learning Outcomes

1. The candidate creates and implements effective instructional strategies to successfully meet the needs of diverse learners.

2. The candidate creates and maintains an effective learning environment which reflects culturally responsive teaching.

3. The candidate communicates effectively with colleagues, families, and community members.

4. The candidate uses technological applications to deliver and enhance instruction.

Justification: Based on data, including from the Texas Education Agency (TEA) and program reviews, in order to better prepare the students we developed a professional education core for all education majors. By aligning the PPR Standards, Domains, and Competencies with the courses, we can ensure that the PPR standards are being addressed.
