**Changes:**

**COMM 4340**

*Intercultural, Professional, and Personal Ethics - Communication Ethics*

Three semester hours. (SP)

The course asks how we make ethical judgements about communication practices: How do we recognize lies and decide when lying might be ethical? What other breaches of civility do we shun in the ways people speak and listen? What would be a reasonable ethic for professional and personal communication? How can we ethically communicate with people of other cultures?
