Proceedings

Approval of Minutes

Ms. Mary Treviño moved and Ms. Bede Leyendecker seconded a motion to approve the minutes. The motion passed.

Consideration of the following courses for the 2014 Core Curriculum:

- PHYS 1370 Survey of Physical Science and PHYS 1170 Lab
- PHYS 2325 University Physics I and PHYS 2125 Lab
- PHYS 2326 University Physics II and PHYS 1126 Lab
- ASTR 1310 Principles of Astronomy and ASTR 1110 Lab

Dr. Qingwen Ni presented the courses mentioned above, but after a lengthy discussion and following careful deliberation of the suggestions made regarding the courses mentioned above, consensus was reached these courses would be submitted for review at the February 22, 2013 meeting of the Core Curriculum Committee.

Dr. Michael Kidd presented the courses listed below. After carefully reviewing the syllabi and Request for Core Curriculum Course Forms for the courses, the following actions were taken:

- BIOL 2301 Human Anatomy and Physiology I and BIOL 2101 Lab
Ms. Leyendecker moved and Ms. Bruni seconded a motion to approve. The motion passed.
- BIOL 2302 Human Anatomy and Physiology II and BIOL 2102 Lab
Ms. Waters moved and Ms. Bruni seconded a motion to approve. The motion passed.
- EPSC 1370 Survey of Earth Science and EPSC 1170 Lab
Ms. Bruni moved and Ms. Treviño seconded a motion to approve. The motion passed.
- EPSC 2301 Atmospheric Science and EPSC 2101 Lab
Dr. Niemeyer moved and Ms. Bruni seconded a motion to approve. The motion passed.
- GEOL 1303 Introduction to Geology and GEOL 1103 Lab
Ms. Leyendecker moved and Ms. Bruni seconded a motion to approve. The motion passed.
- GEOL 1305 Environmental Geology and GEOL 1105 Lab
Dr. Bachnak moved and Ms. Trevino seconded a motion to approve. The motion passed.

New Business and Adjournment

With no further business to conduct, Ms. Leyendecker moved and Ms. Bruni seconded a motion to adjourn. The motion passed and the meeting was adjourned at 2:50 p.m.
