Subject: Justification for Upper Division Courses in Sophomore Year

The teacher candidates need to take the integrated arts courses (THAR 3100, ARTS 3100, MUSI 3100) prior to admission to the College of Education so that they will have the knowledge to embed the arts into their upper division courses. Additionally, EDCI 3224 is part of the professional core that is required of all teacher candidates. We will also be incorporating the written assessment requirement for admission to the COE in EDCI 3224.

On another note, Catheryn spoke with Dr. Arenaz about this issue this morning and he is okay with it.

Please let me know if you have any questions.

Thank you for your patience,

Jennifer
