BIOL 4173-4473
Undergraduate Research
One-four semester hours. (FL/SP)
A course adapted to the study of special topics in biology. For advanced students capable of developing a problem independently through conference and activities directed by the instructor. Problem is chosen by the student with the approval of the instructor prior to registration. Course may be repeated but not to exceed eight semester hours for biology majors and not exceed four hours for all other students. Prerequisite: Permission of instructor. Laboratory fee: $27.25.

Justification: Assure biology minors will take at least 8 hours in advanced biology courses.
