CSDO 4333 Normal Language Acquisition
Three semester hours.

This course is the study of verbal speech and language acquisition throughout the lifespan. The relationship between language, sensory, and motor development is also presented. Prerequisite: Admitted to the CSDO program and in good standing in the College of Education or department approval. Admission to the College of Education and 2.7 overall grade point average. (Cross-listed with PSYC 4306)

Justification:
To avoid having to submit multiple UCC documents each time the GPA is altered, it was decided to include a standard statement. "Admitted to and in good standing..." implies that the student is maintaining the required GPA.
