EDBE 3325 Theories of Second Language Learning

Three semester hours.

This course focuses on the behavioristic and cognitive theories of second language learning and acquisition. Characteristics of adult and child language learning as well as English as a Second Language (ESL) strategies are evaluated. Prerequisites: Admitted to and in good standing in the College of Education or department approval. Admission to the College of Education, 2.7 overall grade point average, EDCL 3301.

Justification:
The Texas Education Agency (TEA) has increased the GPA requirement for entrance to teacher certification programs to 2.75, effective September of 2014. To avoid having to submit multiple UCC documents each time the GPA is altered, it was decided to include a standard statement. "Admitted to and in good standing..." implies that the student is maintaining the required GPA.
