EDRD 3309 Teaching Reading in the Schools
Three semester hours. (FL/SP)

This course is designed to acquaint students with a variety of reading programs to foster early literacy, beginning reading, and content area reading development. Prerequisite: Admitted to and in good standing in the College of Education or department approval. Admission to the College of Education and 2.7 overall grade point average.

Justification:
The Texas Education Agency (TEA) has increased the GPA requirement for entrance to teacher certification programs to 2.75, effective September of 2014. To avoid having to submit multiple UCC documents each time the GPA is altered, it was decided to include a standard statement. "Admitted to and in good standing..." implies that the student is maintaining the required GPA.
