If new, provide Course Prefix, Number, Title. Measurable Student Learning Outcomes, SCH Value, Description, prerequisite, and lecture/lab hours if applicable. If in current online catalog, provide change and attach text with changes in red and provide a brief justification.

EDSE 3310 High Incident Incidence Disabilities.
Three semester hours. (FL/SS)

This course will focus on the education of children with mildly disabling conditions. Legal issues relating to mild disabilities will be discussed. These include inclusive education and consultative-teaching. Emphasis will also include the characteristics of students with mild disabilities.
Prerequisite: Admission to the College of Education and 2.7 overall grade point average.

This course focuses on the characteristics and academic, social and behavioral needs of students with mild OR high incidence disabilities. Emphasis is placed on evidence-based methods for designing, adapting and delivering instruction to students with high incidence disabilities in a variety of settings.

Justification:
Update current course description to reflect changes in the field of special education.
