KINE 3307 3207 Health and Physical Education for the Elementary School
Three Two semester hours

This course focuses on developmentally appropriate programs and instructional strategies for teaching health and physical education to elementary school aged children. Fundamental motor skills, health-related physical fitness, safety and healthy lifestyles will be emphasized. Prerequisite: PSYC 2314; Admitted to and in good standing in the College of Education

Justification:
Course was reduced to 2 SCH to accommodate additional science lab within 120 SCH.
